Each year the Fayette Democratic Women choose local charitable organizations, whose commitment and devotion to hard work, generosity and kindness, have resulted in producing positive changes in the lives of neighbors, friends and family within our community. This year FDW chose Bloom Our Youth and the Bloom Closet as one of our Community Service Projects.

Fayette Democratic Women could not have achieved our goal without the help of the **many** donors and volunteers who helped count, inventory and pack the items that you see today.

A special thanks to Elizabeth Maddox for being our liaison with the Bloom staff.

A call was put out to our Membership that our goal was to provide and donate 1000 pairs of NEW children's undergarments to the Bloom Closet.

On behalf of the Fayette Democratic Women, we are pleased and excited to present to the Bloom Closet of Fayetteville, more than 3,150 pair of NEW girls and boys socks and underwear.
